# Swing Into Action

On behalf of Achieving Beyond Brain Injury Charity Golf Tournament, we invite you to join us as a sponsor for our Second Annual Golf Tournament on Friday, August, 16, 2024 in support of our Pediatric Stroke Awareness and Scholarship Programs. The Tournament will host 124 golfers at Whispering Ridge Golf Course, we look forward to having you as a sponsor knowing that you are helping us spread much needed awareness and celebrating amazing students who have been impacted by acquired brain injury as they pursue their passions in post secondary education.

Our foundation was inspired by our boys after watching them fight for their lives after suffering massive strokes when they were 10 and 14 years old. Neither of our families had any idea that kids could have strokes until it happened to us. We believe everyone should know that kids of all ages can and do have strokes and that recognizing the signs of stroke, including the more subtle signs that may present in children, could save a child's life.

Seeing our boys push themselves to survive and continue to become the amazing men they are today motivated us to create a scholarship program to celebrate strong brain injury survivors for their strength, bravery and perseverance as they pursue their passions in post secondary education.

Our success would not be possible without the continued support and generosity of our sponsorship partners. The enclosed material provides the details regarding sponsorship opportunities. We hope to be able to count on your donations and contributions to help make our 2<sup>nd</sup> Annual Golf Tournament a memorable one.

Thank you for your time, consideration and support.

*Nadine and Rebecca*
